SHERIFF EDWARD N. BONNER RELEASES THE FOLLOWING:

The Placer County Sheriff's Tahoe City offices will be closed for the latter half of January while undergoing a much-needed renovation and asbestos removal.

According to Captain Jeff Granum, the Burton Creek building, built in the 1960s for the Olympics, will be closed from Saturday, January 13 through approximately January 31. New flooring, paint and cabinetry will be installed.

During this time, citizens will be unable to access the offices for fingerprinting, offender registration, obtaining reports and other services. Dispatchers will still be available at (530) 581-6300, although they will be working off-site. As always, 9-1-1 service will be available for emergencies.

For services that cannot wait until the Tahoe offices reopen, contact the Sheriff's main office at (530) 889-7800.
